South West Healthcare  
Ryot Street,  
Warrnambool VIC 3280

Prepared by Josella Chan

# Stan Carroll Library

- **Mission**

Stan Carroll Library strives to provide high quality library and information services in the field of health sciences to the South West Healthcare network

- **Vision**

Working within the framework of South West Healthcare's vision, the library is committed to

- Providing staff, affiliated organisations, health science students and members of the public with appropriate information to support patient care, education and research in the most cost efficient and effective way
  - Aiming to provide a setting conducive to independent learning and research and expertise in educating users in accessing and using the resources.
  - Forging effective partnerships with other health science and tertiary institutions for the benefit of library users.
- 

# Library Collections

Stan Carroll library has owned approximate 6,000 items and includes print collections and electronic resources:
