

Corangamarah Residential Aged Care facility is conveniently located at 2-28 Connor Street, Colac.

Our name originates from the Colac landmark, Mount Corangamarah, affectionately known locally as the Hill.

Philosophy of care

- *The professional care provided solely by qualified nursing staff is offered to all without discrimination.*
- *We offer residents and their families a respectful and compassionate home-like environment.*
- *We promote a holistic approach to care and foster high standards of accountability, honesty and integrity.*
- *We work in an environment where all staff are supported and valued for their contribution to the team.*

Making a real difference

Colac Area Health aims to be a leader in the development and provision of responsive, integrated health care.

Our vision is to promote the health and wellbeing of the Colac and district community through the provision of quality acute, aged, residential and community services that are accessible, affordable, flexible and integrated.

We welcome participation and support from the Colac area community. Visit our website to see how you can become involved at Colac Area Health.

Quality Community Care

Corangamarah Residential Aged Care facility provides superior care in impeccable, modern surrounds.

As an integral part of Colac Area Health, Corangamarah provides 24 hour nursing care and easy access to podiatry, physiotherapy, rehabilitation, speech therapy and other services.

Medical services to residents in Corangamarah are provided by arrangement with our local General Practitioners.

For more information about Corangamarah please call our helpful care co-ordinators on 5232 5274.

The ratio of dependent elderly people in the Colac area will increase to more than 40% over the next 15 years.

Colac Area Health's Corangamarah Residential Aged Care facility is an invaluable community resource in helping families eliminate the worry of providing the best possible support for an ageing loved one.

Whether you require immediate assistance, or you're planning ahead, we can help you with considered support and advice to assist your decisions.

Corangamarah - a modern, progressive approach to quality aged care

Corangamarah is an accredited public sector residential aged care service with 75 high level residential care beds including twin share, single, special needs and respite care. It is a modern, safe and friendly environment with 24 hour care by registered and enrolled nurses and lifestyle workers to aid participation in a wide range of inspiring activities.

Corangamarah offers a respectful and compassionate home-like environment with a holistic approach to care and high standards of accountability, honesty and integrity.

Our award winning artwork collection brings even more colour and life to Corangamarah, for the enjoyment of residents and their families.

Amenities

As an integral part of Colac Area Health, Corangamarah residents have ease of access to podiatry services, physiotherapy, speech therapy, occupational therapy, acute care, rehabilitation services, dental and medical care.

High care residential respite

We can offer high care respite when a room is available. This provides an excellent opportunity to get to know Corangamarah and its staff in the event of ongoing care needed in the future.

Respite care is offered for a period of two to nine weeks. You will receive care of the highest standard during your short stay.

Accreditation

Aged care accreditation assures you that Corangamarah meets a set of quality standards set by the Australian Government relating to the care provided to residents. Only facilities with a good track record of compliance and continuous improvement, such as Corangamarah, can expect three years accreditation.

In between accreditation site audits, we review and monitor our practices to ensure that we continue to deliver a service of the highest quality.
