Quality Community Care

Colac Area Health Community Services provides programs that promote health and wellbeing across the Colac district.

Community Services offers a range of family friendly programs that can be provided either on site or at your home.

Allied Health

The Allied Health Team offers a range of programs, services and allied health clinicians who provide assessment, treatment and care to clients, patients and residents within Colac Area Health and the wider community. They include:

- Adult Day Activity Centre
- Community Dental Clinic
- Community Rehabilitation Centre
- Health Promotion
- Nutrition
- Occupational Therapy
- Physiotherapy
- Podiatry
- Social Work
- Speech Pathology

Community Nursing

The Community Nursing Service provides home-based health care to assist clients to recover following discharge from hospital and to ensure they are linked to longer term community support services as necessary. Community Nursing helps to avoid unnecessary hospital stays by providing acute care at home and supporting people to stay healthy in the community. Services include:

- Barwon Post Acute Care
- Birregurra Community Health Centre
- Continence Support
- Diabetes Education

- Home Nursing
- Hospital in the Home
- Lymphoedema Clinic
- McGrath Breast Care Nurse
- Cancerlink Nurse
- Palliative Care Nursing/Volunteers
- Wound Management Resource

Family and Community Programs

The Family and Community Programs team provide support, counselling and care to the wider community on matters that affect individual and family lifestyles.

These include:

- Adolescent Community Health Nurses
- Alcohol and Other Drugs Service
- Barwon South West Children's Resource Program
- Barwon South West Homelessness Services
- Colac Neighbourhood House
- Community Women's Health
- Child FIRST Intake
- Family Support
- Family Violence/Women's Counselling
- Financial Counselling
- Generalist Counselling
- Transitional Housing
- Youth Development Program
- Youth and Children's Counselling
